

Notice of Extension of Public Comment Period

The Speech-Language Pathology and Audiology Board has become aware that the notice of the proposed regulatory action entitled Clinical Experience Requirement/Supervisor Qualification as previously published on October 26, 2007 may not have been received by all interested parties. As such, the Board has elected to extend the public comment period through December 20, 2007. The Board is prepared to ensure dissemination to all interested parties to allow those individuals affected to review the proposed action and provide comments if necessary.

Please be advised that any and all comments received during the notice period from October 26, 2007 through 5:00 p.m. on December 20, 2007 will be included in this rulemaking package.

Any inquiries or comments concerning the proposed rulemaking action may be addressed to:
